01 | ABOUT US

Intersa Law Office is a premier Indonesian law office specializing in the energy, oil and gas sectors. Strategically headquartered in the vibrant business hub of Bumi Serpong Damai (BSD), South Tangerang, we serve as a vital bridge connecting local and international enterprises to facilitate seamless global cooperation.

Our law office is uniquely positioned to align complex regulatory frameworks with our clients' commercial objectives, ensuring that cross-border partnerships and large-scale energy projects are executed successfully and sustainably.

02 | WHY INTERSA LAW OFFICE?

Multi Perspectives (Technical, Operational, Commercial & Legal).

Our engineering and corporate background means we understand the technical risks of a facility project just as well as the legal and commercial risks of a contract.

Global Network, Global Expertise. While delivering global-standard legal strategic advisory, we seamlessly bridge international business complexities with the Indonesian regulatory landscape, proven by our extensive track record handling major entities from Russia, Taiwan, Japan, Korea, China, Malaysia, the Middle East, US, and Europe.

Commercial Acumen. We focus on making deals happen safely, ensuring your business lines are optimized for international growth.

03 | AREAS OF EXPERTISE

Oil & Gas (Upstream & Downstream)

Joint ventures, production sharing contracts, asset acquisitions, and regulatory compliance.

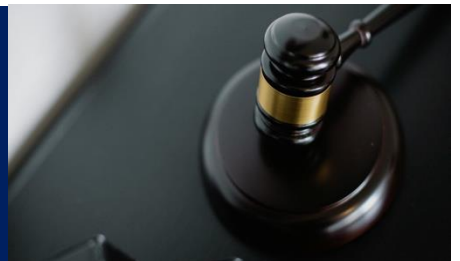

Cross-Border Transactions

Bridging international investors with local partners, restructuring ownership, and navigating Indonesian foreign investment laws.

Commercial Litigation

Representing corporate clients in commercial disputes to safeguard business operations and mitigate regulatory risks.

Commercial Agreements

Drafting and negotiating complex Facility and Joint Operation Agreements, Gas Sales and Purchase Agreements (GSPA), LNG sales, crude sales and Partnership Agreements.

Specialized Corporate Training

Capacity building for energy professionals in legal, regulatory, and commercial frameworks.

Corporate Restructuring & Takeovers

M&A activities, stock ownership transitions, and legal due diligence.

04 | TRACK RECORD & KEY ACHIEVEMENTS

- **UAE & NOC Cooperation:** Successfully facilitated strategic collaboration between a prominent drilling company from the United Arab Emirates (UAE) and Indonesia's national oil company.
- **Japan-Indonesia Consortium Investment:** Structured a complex collaboration involving a consortium of Japanese and Indonesian entrepreneurs regarding potential strategic investments and comprehensive Gas Sales and Purchase Agreements (GSPA).
- **Indonesia Local Contractors & NOC :** Negotiated procurement contracts for a gas purification facility project in West Java.
- **China-Indonesia Oil & Gas Takeover:** Assisted and advised on the cooperation between Chinese investors and local entrepreneurs regarding stock ownership takeovers within both upstream and downstream oil and gas sectors.
- **Gas Processing Facility Dispute Resolution:** Successfully managed and resolved legal disputes related to the construction of gas processing facilities.
- **Gas Pipeline Asset Acquisition:** Conducted comprehensive legal due diligence for the strategic acquisition of a pipeline facility in West Java.
- **Corporate Training:** Trusted by major global and national energy players to provide advanced commercial and legal training for employees of NOC and IOC in Indonesia.
- **Dispute Resolution & International Arbitration:** Highly experienced in representing and advising clients across major domestic and international Alternative Dispute Resolution (ADR) frameworks, including institutional arbitrations under BANI (Badan Arbitrase Nasional Indonesia), SIAC (Singapore International Arbitration Centre), SCMA (Singapore Chamber of Maritime Arbitration), ICSID (International Centre for Settlement of Investment Disputes), LMAA (London Maritime Arbitrators Association), and LCIA (London Court of International Arbitration).
